## REVIEW OF THE 2023 SEASON

After the history making of 2022, it was always going to be a hard act to follow, but nevertheless, despite some inclement weather – something not seen the year before, records were broken and there were some outstanding individual performances. There was also team success, with the first team occupying the top two places in Two Counties Division Seven for much of the season, and eventually finishing as Runners Up to Brightlingsea to gain promotion to Division Six for 2024. The Evening League side lifted silverware by defeating Real Oddies by 8 runs in an end of season Champions Trophy. The Second Eleven enjoyed their first league victories on the field for over two years as individual performances improved. The Friendly games gave plenty of opportunity for those on the periphery of league squads, and gives much encouragement for the future. The Ladies Softball side again enjoyed a successful campaign, but just failed to reach the County Finals at Chelmsford this year. For the first time in over twenty years, West Mersea played competitive Indoor Cricket, with sides taking part in the Adult and Under 14s Terrier League at the Northern Gateway during the 22/23 winter. The adults and juniors took part in respective tours during the summer, which were an undoubted success on both accounts, and in August the Single Wicket competition was a welcome re-addition to the West Mersea calendar, after an absence of 16 years. The Colts enjoyed a busy campaign with the Under 14s enjoying a competitive season, while at the younger level there were successful excursions to several Kwik Cricket Festivals, with the highlight being the end of season event at Chelmsford under the lights. Probably the only disappointing aspect of the playing side was the withdrawal after three games of the side from the NECL Division Two – playing fixtures on a Sunday seems to have become increasingly difficult over the years, and it was evident from early on that this season was going to be a struggle for availability. Another issue that marred the 2023 season was that probably for the first time, a player was asked to leave the club, and was excluded from further selection. After conclusive evidence of several misdemeanours, it was apparent that relations between the player and other club members was untenable. It was a shame for the individual concerned, because they had shown plenty of potential with both bat and ball and had been an integral part of the first team's early season success. Hopefully, it is life lesson learnt, and they will think twice about future actions and the inevitable consequences.

There was plenty of social events also with the Prosecco Ladies Day again proving successful, as well as the annual club trip to see a Ladies One Day International at Chelmsford. Needing no excuse for fine dining the Treasurer also arranged two eating trips out to the House of Delights in Maldon, and the Blue India in Tunbridge Wells as the season ended.

94 players represented the club at senior level in 2023, of which 27 made their debut for the club, although a large proportion of these were guest tourists. Adam Rutter and Alex Young both made a welcome return to Mersea colours, and played a small part in the First Eleven's successful promotion campaign. Shannon Scrutton became the 900<sup>th</sup> player to represent the club when making her debut in June.

In total the club played 79 senior matches, of which 28 were won, 3 by concession, 46 lost, of which Mersea conceded one, 1 match was Drawn, and four were abandoned. In all games, Mersea scored a total of 9079 runs, for the loss of 546 wickets, whilst Opponents scored 11017 runs for the loss of 461 wickets.

Seven players scored over 250 runs, with James Rutter once again topping the run scoring and Club Batting averages with 1133 runs at an average of 53.95, including a club record, 250 not out against Chappel & Wakes Colne 2<sup>nd</sup> at the end of July. His haul included two centuries and four fifties. Seb Gladwell was the only other player to pass 500 runs, ending the season with one century and five fifties in his haul of 802. His century saw him become the youngest player to achieve the feat for Mersea, as well as the youngest player to reach 1000 career runs. The pair struck up an excellent first wicket partnership in the second half of the season, eventually returning 813 runs as duo, at an average of 116.14. They set a club record partnership of 376 not out in the game with Chappel & Wakes Colne, and also posted a daddy century partnership of 176 against Yoxford in the last game of the season. Ruben Butler (391), Luke Conway (378) and newcomer Jon Snelling (349) all topped 300 runs for the season, whilst the other two to pass 250 were Marcus Hobson (270) and Ellis Humphreys (260). Fifteen Mersea batters scored a total of 4 centuries and 26 fifties during the campaign. Apart from James Rutter (2) and Seb Gladwell (1), it was Adam Rutter who scored the fourth century of the season with 103 against Copford 2<sup>nd</sup>. Six players made their maiden fifty for the club, Marcus Hobson, Ellis Humphreys, Jonah Richardson, Jon Snelling, Matt Taylor-Smith, and Ollie Wyatt. Ollie's maiden fifty against West Bergolt saw him become the second youngest player to score a maiden senior fifty for the club, and the fourth fourteen year old to score a senior fifty in the last two years. There were 30 batters who recorded career bests in 2023, which are listed on page 61.

Luke Conway retained the Six Hit trophy, but only just, prevailing over Ellis Humphreys by just 2 sixes – 15 to 13. In all 25 batters hit a total of 87 sixes. The Mallard Trophy as in most of the recent years was a close fought battle going into the latter stages of the season. 131 Ducks were recorded in 2023, with Matilda Daines recording the most with 9, which resulted in 12 Mallard Points. Reigning champion Tony Butler was runner up with 9 Mallard Points followed by Henry Reilly (8), and then Rosie Daines, Louis Elson and Brandon Turner all on 7. Angus

## REVIEW OF THE 2023 SEASON

Lockhart managed to record six points from just two ducks – a golden duck, and a very rare platinum duck, run out first ball of the innings without facing!

Career landmarks saw Adam Rutter reach 9500 runs, James Rutter move into the top fifteen scorers for the club passing 6500 runs, and now just 82 runs short of 7000. Tom Sanderson and Chris Storrar both passed 2000 runs for the club, while an early success in 2024 should be Luke Conway who is 72 runs short of becoming the third Mersea batter to pass 15000 runs.

In the field Mersea took 16 fewer wickets than they did in 2022, with 461, however, the wickets were shared around to a greater degree, with 12 bowlers taking 10 or more wickets. A nervousness over replacing Darren Rumble as a frontline bowler for the first team, was quickly dispelled by the early season success of Ellis Humphreys and Joe Wyatt. However, the main talking point of the bowling campaign was that of Ollie Wyatt, who after a successful start in the second team with the ball, then took his chance in the first team – taking regular important wickets throughout the season and a career best of 6 for 12 v Copford 2<sup>nd</sup>. Ollie ended a consistent season as the leading wicket taker, finishing agonisingly short of 50 wickets with a return of 48 wickets at 13.06. His haul included six three wicket matches and one five wicket, and he managed to take a wicket in all but four bowling spells out of 29. He also became the youngest and first ever fourteen old to take 50 career wickets, and should undoubtedly become the youngest to 100 wickets in 2024. He was just pipped to claiming the Club Bowling Averages by Luke Conway who took 38 wickets at 12.47. Ellis Humphreys with a best of 6 for 18, and Ben Rumble both claimed 34 wickets, while Joe Wyatt (25) and Rosie Daines (22) topped twenty wickets for the season. The best bowling performance of the season came in the second eleven game with Harwich & Dovercourt, and for the second season running a Mersea player was to take a nine wicket haul, with Chris Warren returning 9 for 15 to record the fourth best bowling performance by a Mersea bowler in the club records. Twenty Two Mersea bowlers achieved three or more wickets on 40 occasions in 2023, with seven bowlers (Ben Rumble the only bowler to achieve it twice) converting into a total of 8 five wicket hauls, of which there were maiden five wicket performances for Ellis Humphreys, Chris Warren, Joe Wyatt and Ollie Wyatt.

Career landmarks saw Luke Conway leapfrog the great Lou Green as the third most successful wicket taker for the club, having now taken 853 wickets. Ben Rumble claimed his 200<sup>th</sup> wicket in the final game of the season at Chappel, while Chris Storrar reached 150 wickets. There were career 50 wickets for Rosie Daines, Seb Gladwell, Joe Wyatt and Ollie Wyatt, while there were career bests with the ball for 34 players.

The leading fieldsmen in 2023 was James Rutter with 21 fielding dismissals, 15 catches of which 9 were wicketkeeping with 6 stumpings. Luke Conway, Ellis Humphreys and Ben Rumble made 12 outfield dismissals, Luke 11 catches and a run out, the other two ten catches and two run outs. Jim Hall and Luke Conway both took three catches in a match, against Halstead 3<sup>rd</sup> and Great Bromley respectively.

Career appearances saw Luke Conway surpass 650 appearances, Rory Green reached 150 appearances and Seb Gladwell made his 100<sup>th</sup> appearance.

### TWO COUNTIES – 1<sup>st</sup> XI

The first XI enjoyed another successful campaign winning 14 games, losing three and seeing three other matches cancelled. As a result they were rarely out of the top two and secured promotion with 4 points in their last game. Sadly a double defeat to champions Brightlingsea proved costly in their attempt to win the title, but they were nevertheless worthy runners-up. Incredibly, four victories were secured by the margin of 10 wickets, with a further two by 8 and 9 wickets, showing the strength of the bowling unit during the campaign. Heavy wins were scored batting first against Chappel & Wakes Colne 2<sup>nd</sup>, where the openers, James Rutter and Seb Gladwell scored 376 without loss in a 293 run victory. Mersea also beat Copford 2<sup>nd</sup> at The Glebe by 210 runs.

James Rutter was the top run scorer and topped the averages scoring 812 runs at an average of 90.22, which included a club record 250 not out against Chappel & Wakes Colne 2<sup>nd</sup>. Seb Gladwell (297) and Adam Rutter (233) were the only other batters to pass 200 runs.

In the bowling department, Luke Conway and Ellis Humphreys lead the way with 25 wickets each, Ollie Wyatt (21) and Joe Wyatt (17) also provided excellent support in the attack, while Alex Young (10), at the end of the season was the other bowler to reach double figures and topped the bowling averages at 8.20.

The most pleasing aspect of the campaign was the way the younger members of the squad took their chance when it was given, and made it very difficult to oust them from the team. Ellis Humphreys proved a more than useful replacement for Darren Rumble, while Joe Wyatt was a lively and economic opening partner. Ollie Wyatt took his chance on 1<sup>st</sup> XI debut at the beginning of June, becoming the youngest player to take a 1<sup>st</sup> XI five wicket haul with a return of 6 for 12 against Copford 2<sup>nd</sup>. It proved to not be a fluke, as he remained consistent through the season. Seb Gladwell was another player to take his chance, doing so with the bat. Brought into the side in the middle of the season after successive second eleven fifties, he took to opening for the first team like a duck to water, scoring 297 runs at 74.25, including an unbeaten 102, in a record breaking opening stand of 376 with James Rutter.

## REVIEW OF THE 2023 SEASON

First eleven landmarks in 2023 saw David Taylor reach 4500 runs, James Rutter make his 150<sup>th</sup> appearance and pass 3000 runs, Adam Rutter pass 3000 runs and Angus Lockhart reach 500 runs.

The player of the year for the second successive season was James Rutter, largely for his run scoring but also for his tidy glove work.

### TWO COUNTIES 2<sup>nd</sup> XI

The 2023 season began much the same as 2022 had ended, with ten successive defeats, albeit some unlucky ones, particularly Frinton 3<sup>rd</sup> when restricting them to 121 for 7, Harwich & Dovercourt 2<sup>nd</sup> when bowling them out for 108 and promotion chasing Halstead 3<sup>rd</sup>, where they were ultimately denied by some dubious umpiring decisions. After a winless run spanning 37 games, and two years a red letter day for the two's on 15<sup>th</sup> July, when they beat Frinton 3<sup>rd</sup> by 3 wickets. Newcomer Jon Snelling (74) making a match winning knock, but the Jack Leach trophy that day went to Ben Rumble for digging in and giving him great support – eventually scoring his first run after 42 balls, and then hitting the winning runs shortly afterwards. Two more wins followed for the seconds, as they beat Harwich & Dovercourt 2<sup>nd</sup> by 5 wickets, after Chris Warren had returned a TC 2<sup>nd</sup> XI best of 9 for 15, and then in the last game of the season they beat Boxted, Ben Rumble taking 5 for 17 as Boxted were dismissed for 84, and then Mersea raced to an 8 wicket success. So from 2022, with three wins, the 2<sup>nd</sup> XI definitely showed improvement on the field in 2023. Individually with the bat the most runs came from Seb Gladwell (211), including two half centuries, Jon Snelling (188), Ruben Butler (187) and Ian Young (140). Seb Gladwell topped the TC 2<sup>nd</sup> XI Batting Averages at 21.10, and ended the season as joint leading wicket taker with 12 wickets, he also won the nomination for the 2<sup>nd</sup> XI Player of the Year for the second successive season. Chris Warren was the other player to take 12 league wickets, largely through his 9 wicket performance, and topped the Bowling Averages, with an average of 15.33. Rosie Daines, Dan Miller, Ben Rumble and Ollie Wyatt each took eight wickets to provide excellent support, with Dan Miller bowling some particularly economic spells at the beginning of the season, while Dan Common took a hat trick in the game with Kelvedon. The side was also a victim of their own success, with Seb Gladwell and Ollie Wyatt both making the jump to the first team after encouraging performances in the 2<sup>nd</sup> XI. Louis Elson went close to equalling Rory Green's 2014 record of 7 catches in a season, by taking 6. Career landmarks saw Steve Daines reach 50 appearances, while Seb Gladwell and Chris Warren both claimed their 25<sup>th</sup> career wicket.

### NECL SUNDAY 1<sup>st</sup> XI

Disappointingly the NECL Sunday side only lasted three matches before the decision was taken to withdraw from the competition due to a concern over availability. Having been beaten by Chelmsford by 8 wickets, conceded to Eight Ash Green, and then defeated by 9 wickets at Great Bentley there was little to take away from the campaign performance wise. Joe Wyatt did equal his career best of 46 with the bat in the game with Great Bentley, and Shannon Turner took an excellent catch in the same game.

### EVENING LEAGUE

The evening league had an inconsistent season, pulling off some remarkable wins and then suffering some incomprehensible defeats. They ended the season with five wins and five defeats, with the other two games cancelled, to finish fourth out of seven teams. They did inflict champions Great Bromley's only reverse in the competition with a three wicket win, lead largely by a season best of 81 not out from Ellis Humphreys. They were also unlucky with the home game with eventual Runners Up Ardleigh, having the visitors on the ropes at 45 for 5 chasing 142, when rain intervened. There was also a remarkable run chase at Boxted, where they were set 203, and managed to get within four runs.

By finishing fourth they qualified for the Chairmans Trophy for the second successive season, and met holders Boxted who had beaten them twice in the league, and also in the 2022 Chairmans Trophy final. Incredibly, the game was rather one sided and Boxted were restricted to 70 for 8, with Mersea cantering to a seven wicket victory. The final a week later, was a much closer affair again Real Oddies at The Glebe. Skipper Luke Conway top scored with 47 and then took 4 for 12 as West Mersea prevailed by 8 runs to take the silverware. Individually, newcomer Marcus Hobson was the most prolific batter with 205 runs at an average of 25.63. James Rutter (199), Ellis Humphreys (165) and Luke Conway (154) all topped 150 runs in the campaign, while there were four half centuries of which Marcus Hobson scored two. The leading wicket taker was Ben Rumble with 14 wickets at 14.14. Luke Conway took 12 wickets at 12.42, but topping the Bowling Averages with 8 wickets at 11.75 was Ollie Wyatt. Luke Conway and Ellis Humphreys shared most catches with five catches each, while James Rutter made 7 dismissals at the wicket, three catches and four stumpings.

### FRIENDLIES

An extensive programme of friendlies, including three tour matches in Somerset, saw West Mersea win 4, lose 23, 2 were abandoned and the Rain Men game ended in it's traditional draw. Although nice to taste success, results are not so important in these games with most players being afforded an opportunity to bat and bowl. Nine players topped 100 runs in friendly matches, with Seb Gladwell (210) scoring the most, while Luke Conway returned the highest score of the season, left out to dry on 98 not out in the tour match with Long Sutton. Jonah

## REVIEW OF THE 2023 SEASON

Richardson was another player unlucky not to reach three figures scoring 93 against Old Chelmsfordians 5<sup>th</sup> s. The leading wicket takers, each with nine wickets were Matilda Daines, Rosie Daines and Ollie Wyatt, with Wyatt topping the friendly averages taking a wicket every 11.89 runs. Charlotte Granger returned the best bowling performance of the season with 4 for 10 against Rayleigh 7<sup>th</sup> in June. While there were encouraging performances with both bat and ball from newcomers Wahed, Atiq and Asmat Khaskar. Freya Reilly continued her remarkable start to her bowling career with another seven wickets in just 19 overs bowled, she now has 18 in just 9 matches played.

The tour to Somerset was once again an undoubted success, despite the team losing both matches to local opposition. The intra match played at the beautiful Valley of the Rocks was won by the Oysters, just beating off the only rain of the week.

### INDOOR LEAGUE

The first winter cricket since the days of the old Royal London Alliance back in the 1990s, saw West Mersea take part in Terrier League Cricket at Adult and Under 14 level for the 22/23 season, at the Northern Gateway Sports Centre. The Adult Terrier side finished in 5<sup>th</sup> in the league with five wins out of their 11 matches, Seb Gladwell was the top run scorer with 196 runs, while Daniel Gladwell was the leading wicket taker with 11 wickets. The Under 14s had a much tougher campaign winning three of their six games to eventually finish fifth out of six. Seb Gladwell was the only batter to top 100 runs with 126, while he jointly lead the way with the ball taking 8 wickets along with Ruben Butler and Shannon Turner.

### COLTS CRICKET

A busy season for the Under 15s, saw 24 players represent the club in 12 matches, winning two, losing nine and having one match tied. The campaign saw a three match tour to Sussex, a full league programme, and a midweek 40 over game with London side NEO. Seb Gladwell was top scorer for the side with 340 runs, including a season high of 65 v Hurstpierpoint. Ruben Butler (156, including one fifty) and Ollie Wyatt (138) also topped 100 runs for the side. Seb Gladwell and Brandon Turner were the leading wicket takers with nine wickets each, while Ollie Wyatt returned the best spell of the season with 3 for 2 against West Bergholt. Beyond the Under 15 side, younger players represented the club in a number of Kwik Cricket Festivals around the area, culminating in the end of season event at the County Ground.

### PLAYERS OF THE SEASON

The following five players are nominated by the author as the 2023 Club Players of the Year ;

**JAMES RUTTER** – once again James was the stand out performer with the bat, scoring over 1000 runs for the second successive season, he topped the Club Batting Averages with an average of 53.95, and the Two Counties 1<sup>st</sup> XI Batting averages at 90.22. He also recorded a new club record with the bat of 250 not out v. Chappel & Wakes Colne 2<sup>nd</sup> which saw him win Performance of the Season. He was nominated 1<sup>st</sup> XI Player of the Year

**SEB GLADWELL** – a stellar season with the bat for Seb, scoring over 800 runs and making the breakthrough into the first team. Scored a maiden century and five fifties during the campaign, and deservedly won Young Player of the Year, 2<sup>nd</sup> XI Player of the Year and the Single Wicket Trophy.

**LUKE CONWAY** – a quieter season with the bat, but nevertheless topped the Club Six Hits for the 18th year. He lead the way with the ball with 38 wickets to top the Club Bowling Averages with an average of 12.47.

**OLLIE WYATT** – a consistent season from Ollie, mainly with the ball, but also promise with the bat. Took the most wickets during the season with 48, and broke into the first team in style with a performance of 6 for 12 v Copford 2<sup>nd</sup>, which won him Young Performance of the Season. Once in the first eleven he established himself taking wickets on a regular basis. A late season friendly saw him record his maiden fifty at West Bergholt, as he scored 222 runs in the season

**JOHN SNELLING** – a more than useful acquisition to the club, putting in some eye catching performances in the Evening League and for the second eleven, and scoring 349 runs in the campaign. Narrowly missed out on the Second Eleven Batting Averages, but returned the highest score of the season for that team with a match winning 74 against Frinton 3<sup>rd</sup>.

### 2024

So a new challenge for the first team in 2024, as they move up a tier to Division Six of the Two Counties League. There will be opportunities at the top of the order, with James Rutter moving to West Bergholt for the 2024 season. However, with the further development of the younger players there should be no reason for any discouragement. The first team should look to consolidate in 2024, and anything above mid table would be a bonus. The Second Team will look to improve on the three victories in 2023, and certainly should have the ammunition to do so. Just a bit more consistency for the Evening side could see them get into the championship race. Plenty of friendlies again arranged for 2024, which will give the younger players on the periphery every opportunity to develop their game.

To achieve the Co-Efficient

Runs were multiplied by 2.5, and then divided by completed innings. 50s multiplied by 3, and 100s multiplied by 6, divided by completed inns.

Wkts were multiplied by 10 and then divided by bowling spells. 3w multiplied by 3 and 5w by 6 divided by bowling spells.

Cts and St multiplied by 12, Run Outs by 10. All these total were then added together to give a total, which was multiplied by the percentage of Two Counties 1<sup>st</sup> XI matches played by the player to give the overall Co-Efficient.

To achieve the Co-Efficient

Runs were multiplied by 2.5, and then divided by completed innings. 50s multiplied by 3, and 100s multiplied by 6, divided by completed inns.

Wkts were multiplied by 10 and then divided by bowling spells. 3w multiplied by 3 and 5w by 6 divided by bowling spells.

Cts and St multiplied by 12, Run Outs by 10. All these total were then added together to give a total, which was multiplied by the percentage of Two Counties 2<sup>nd</sup> XI matches played by the player to give the overall Co-Efficient.

To achieve the Co-Efficient

Runs were multiplied by 2.5, and then divided by completed innings. 50s multiplied by 3, and 100s multiplied by 6, divided by completed inns.

Wkts were multiplied by 10 and then divided by bowling spells. 3w multiplied by 3 and 5w by 6 divided by bowling spells.

Cts and St multiplied by 12, Run Outs by 10. All these total were then added together to give a total, which was multiplied by the percentage of NECL T30 matches played by the player to give the overall Co-Efficient.

For the first time in sixteen years, the Single Wicket competition returned to the Mersea calendar on August 13<sup>th</sup>. With a few late drop outs there were 16 entries, and with no previous winner in the starting list a new name would be engraved on the trophy.

Incredibly, despite the number of family members in the competition, all were kept apart in the group stage – something fishy about this draw ...hot balls and that.

The opening group saw Steve Daines back from holiday and refreshed, easily progress to the Quarters with three wins, including a 14-12 over second placed Ruben Butler.

Group 2 saw the tournament favourite James Rutter ease to victories in his first two matches, whilst Dave Gladwell and Trevor Trout picked up a solitary victory each. The final round of matches pitted Rutter against Trout, and Gladwell against winless Dominique Granger. Trevor posted 11 against James, and David 13 against Dominique, meaning that such is the jeopardy of Single Wicket, if James failed to defeat Trevor and David won, then James would be out at the group stage. James reached 9 off just four balls, making victory almost certain, but unfortunately going aerial saw him caught by Shannon Turner and defeat. David duly completed a 13-0 win, and joined fellow elder statesman Trevor Trout in the Quarter Final draw.

Group 3 saw Tony Butler ease through with an unblemished record, second place went to Charlotte Granger, who ousted Rosie Daines 11-7 in the group decider. Group 4 saw another tightly contested group, with group favourite Seb Gladwell shocked in the opener with defeat to Matilda Daines. Eventually with two wins each the group was decided on runs scored, with Seb topping the group after his opening game defeat. Matilda joined him in the quarter finals, while Atiq Khaskar was the unlucky third place.

Into the Quarter Finals and there was no easing down on daughter Matilda from dad Steve in the opening match, cruising through 21-11. Trevor Trout was equally clinical against Charlotte Granger winning 13-6. In the bottom half of the draw the Gladwell's and Butler's were kept apart so there was the chance of semi final derby. However, Tony prevailed over Dave Gladwell 6-2, while Seb regained the Gladwell's pride with a 24-3 win over Ruben Butler. In the opening Semi, Steve Daines posted just five runs, and Trevor Trout carefully scored the six he needed to progress. The second semi final saw Seb Gladwell coming into some run scoring form with 18, and then removing Tony Butler for a duck.

In sadly, an anti climatic final, Trevor Trout batted first and could only muster two runs, which was never going to be enough against Pointer Gladwell who after completing a single, dispatched his next scoring shot to the boundary to become the youngest Single Wicket Champion.

## SEASON TRIVIA

Ollie Wyatt became the first fourteen year old to take 50 career wickets, when doing so against Woolpit 3<sup>rd</sup> on 10<sup>th</sup> June at the age of 14 years 64 days.

The same performance saw him become the youngest player to enter the Mersea Hall of Fame – surpassing Daniel Gladwell's record of 2022.

At 15 years 272 days, Seb Gladwell became the club's youngest ever centurion, when scoring 102 not out against Chappel & WC 2<sup>nd</sup> on 29<sup>th</sup> July.

In the same game, he became the youngest player, surpassing Alex Young in 2003 (16yrs 328 days) to reach 1000 career runs.

Eighteen days later he became the first fifteen year old and youngest player at 15 years 290 days to score 500 senior runs in a season.

Ollie Wyatt scored his maiden fifty for the club on 25<sup>th</sup> August against West Bergholt, and at 14 years 140 days is the second youngest behind Ruben Butler (14yrs 107 days) to score a fifty.

Seb Gladwell is the youngest player to score a maiden Two Counties Second Eleven fifty, when scoring 52 against Abberton 3<sup>rd</sup> on the 24<sup>th</sup> June at 15 years 237 days.

Ruben Butler at 14 years 349 days, became the second youngest player to reach a career 500 runs, when scoring 10 on 24<sup>th</sup> May against Boxted.

Ollie Wyatt's 6 for 12 against Copford 2<sup>nd</sup> on 3<sup>rd</sup> June saw him become the youngest player to take a five wicket haul in the Two Counties First Team at 14 years 57 days.

## SEASON TRIVIA

While brother Joe Wyatt joined the list as the fourth youngest player to take a five wicket haul, when taking 5 for 21 against Copdock & Ol 3<sup>rd</sup> on 1<sup>st</sup> July, he was 16 years 339 days.

Rosie Daines became player 160 and the first female player to enter the Mersea Hall of Fame, when reaching 50 career wickets for the club on 25<sup>th</sup> August against West Bergholt.

Shannon Scrutton became the 900<sup>th</sup> player to make their debut for West Mersea CC, when she played against Rayleigh 7<sup>th</sup> on 10<sup>th</sup> June.

James Rutter (250no) and Chris Warren (9 for 15) topped the Essex Batting and Bowling Honours Board for the weekend of the 29<sup>th</sup> July, an achievement rarely achieved by one club in a weekend.

Alex Young scored an unbeaten 50, and took 5 for 50 in the game with Woolpit 3<sup>rd</sup> on 26<sup>th</sup> August. This was the 20<sup>th</sup> occurrence of the feat of a fifty and five wickets in the same match, and the third occasion for Alex.

The Jack Leach supporting batter of the year award went to Ben Rumble in the TC 2<sup>nd</sup> XI game with Frinton 3<sup>rd</sup>. Chasing 124 for victory, he batted valiantly in a 47 run partnership for the 7<sup>th</sup> wicket with Jon Snelling (74) – facing 42 balls without scoring. He eventually ended undefeated on 4 from 51 balls in a three wicket victory.

Angus Lockhart finished up with an impressive six Mallard points, despite achieving just two ducks! On the 7<sup>th</sup> June against Great Bromley in the Evening League, he registered a very rare Platinum duck – run out without facing a delivery, worth four points. Then on the 16<sup>th</sup> August against the Real Oddies in the Chairmans Trophy Final he was dismissed for a first ball Golden duck!

In 16 TC 1<sup>st</sup> XI matches, the side lost just 69 wickets – 25 better than a previous best in 2013. They won four of their matches by 10 wickets, a fifth they saw an opening partnership of 376 not out, they won one by 9 wickets and one by 8 wickets.

The TC 2<sup>nd</sup> XI in beating Frinton 3<sup>rd</sup> on 15<sup>th</sup> July secured their first league victory in 37 games.
