REVIEW OF THE 2020 SEASON

March 23rd 2020, was the date where it became a stark reality that the 2020 cricket season was going to be like no other. The announcement of the first national lockdown due to the Covid pandemic, ensured that pre season training, cricket force and the opening matches would all be cancelled.

As the lockdown continued into May, and no evident start of recreational cricket appearing on the horizon, the local leagues with significant disruption to their league programme, took the decision to cancel all competition for the 2020 season.

It was now a question of when, or even if, club cricket would start in 2020. Green lights were given to other sports such as golf, tennis and basketball, but frustratingly still cricket was halted, with prime minister Boris Johnson claiming that the cricket ball was a ‘natural vector of the disease’.

As we waited the club embarked on a number of initiatives to keep members simmering in anticipation of the season.

Pixelated cricket came to computer screens, as a Mersea eleven took on Great Bromley in a T20 match. The characterisation of some of the players was a little extreme in some cases, a Goliath of a hairy bowler who would frighten most village cricketers, was purported to be Darren Rumble. Graham Pryke running quick singles was also a tad unrealistic, but there was also quirks of the game that did resemble reality. Prykie run out, and Luke Conway hitting his first ball for six ! After the initial success two further inter club games were arranged, with Tom Butler and Ben Rumble organising the fun.

With the lack of cricket, Kevin Hewes engaged club members with a daily dose of ‘On This Day’, published on Twitter, Facebook and the website, reliving past successes and failures on the pitch over a period of seventy years. It was good to see members reminiscing and enjoying the stories of yesteryear, with the hope of creating new future stories in the pipeline.

The club also got involved in the community by getting involved in the ‘virtual tea’ and donating food to the Mersea foodbank (Pantry in the Porch). It was such a success that the club conducted a further three collections during the year, and will continue on a quarterly basis in 2021.

Finally, as the summer moved into July, and with reducing Covid cases and deaths, recreational cricket was given the go ahead to commence on July 11th, with significant restrictions. Players had to book in to play, turn up in kit, the clubhouse was closed but for toilets, and bring your own tea. No after the game bar. Sanitising of the ball, and of course social distancing. A programme of friendlies were hastily arranged, with first two games being inter club matches to test the new protocols. Participation was the key ingredient of the 2020 season, with in some matches retirements at a certain score, limitations on bowlers overs, and in a couple of cases the chasing team passing the score and continuing to bat... cricket was very different in 2020.

In the curtailed 2020 season, 23 matches were played, with Mersea winning 6 losing 15, with one match drawn and a further match abandoned. 53 players represented the club, with 18 making their debut, although 3 were guest players from other clubs. Encouragingly, no less than six lady players represented the club, which is the most in one single season.

The top run scorers were James Rutter (308), Angus Lockhart (274), Nick Gray (254) and Ian Young (227) . There were 11 fifties, and one century, scored by eight players. Angus Lockhart, returned the highest score of the season, scoring his 4th career century with an unbeaten 100 versus Chelmsford Spartans. There were maiden fifties for James Handford and Nick Suker, whilst Ian Young recorded three more in his four innings to take his career total to 93.

REVIEW OF THE 2020 SEASON

James Rutter topped the club batting averages, his runs coming at 61.60, with a high of 98 not against Boxted.

Chris Warren topped the bowling averages with 12 wickets at 9.08, while Ben Rumble (12) was joint leading wicket taker, and Peter Phillips (11) was the other player to take double figure totals. Six Mersea bowlers took three or more wickets in a match on eight occasions in 2020, of which Peter Phillips' 5 for 8 v Twinstead was the season best. Young India Reilly performed well with the ball, taking nine wickets, and claiming a hat trick in the Inter Club game on 18th July.

In the field Ben Rumble was leading fieldsman with six catches, closely followed by James Rutter (5) and Angus Lockhart (4).

There were ten club partnerships of 50 or more, with two century stands. James Rutter appeared in five of them, while the highest partnership of the season was a second wicket stand of 141 between Angus Lockhart and Nick Gray in September.

The Mallard Trophy if awarded in 2021, would have been retained by Henry Reilly, while the James Rutter with just four maximums would have clinched the Six Hit trophy !

In September, India Reilly became the first female, and youngest player to captain a senior side when doing so against Chappel & Wakes Colne.

Not many career landmarks reached in 2020 due to the reduction in cricket, but Graham Pryke managed to make his 850th appearance for the club, Angus Lockhart reached 1000 runs, Peter Phillips 200 wickets and Amit Tiwari 100 wickets. Ian Young took his 225th catch.

Having conducted a painstaking review of the club statistics over the winter with all scorecards of the last seventy years in the process of being computerised, I should be able to produce updated career statistics for next year. The new stats, will include inter club games from the past, NEECA 20 over games, and possibly Evening League. As the club statistician, can I make a plea that it is imperative that all scorebooks should be completed with maximum accuracy.

As well as a cricket season of sorts, the club also managed to fulfil a programme of All Stars cricket, another successful if slightly reduced Summer Camp, and most importantly for the ladies, a day in the sun with Prosecco, which proved very popular again.

2021

With the excellent roll out of the vaccine, reducing COVID cases and deaths, and a planned roadmap out of the third lockdown, it is to be hoped that there will be no false start to the 2021 cricket season, and the opening salvos of the campaign will begin as planned at the end of April.

It is a significant year in the history of the club, with 2021 commemorating 100 years at The Glebe. Celebrations strangely seem focussed away from the ground, with a senior tour to Somerset in July, and a first ever junior tour to Norfolk in August. Hopefully, there will be something to celebrate at the old ground !

League action will see two teams again compete in the Two Counties League on a Saturday, the 1s in Division Seven, while the 2s will be in Division 9. The club are also taking part in a new initiative on a Sunday, in the form of the NECL T30 over league, where eight matches have been arranged. This new competition is devised for largely youth players, with a few old heads (drivers) as they transition from youth cricket to the longer senior games.

A number of Colts games have also been arranged, and a smattering of friendlies including the annual fixture with Rain Men, at the end of July and the end of season series with Chappel & Wakes Colne.
