REVIEW OF THE 2021 SEASON

After the Covid affected season of 2020, it was pleasing to get back to some kind of normality in 2021. There were still a few cases of players coming into contact with Covid positive cases, and having to self isolate and therefore, missing the odd game. However, compared with other clubs, Mersea did not have to call any games off through mass infection. There was still the necessary precautions in place of being ready changed, no formal teas and no post match drinking at the club. Sadly, the club were affected by Covid, with the passing of former player Russ Wilkin, father of Matt Wilkin, at the young age of 52, showing just how real the Covid threat remained.

As far as on the field was concerned it was generally positive, there are certainly green shoots appearing after a number of seasons struggling. Overall results were still disappointing, and all three league teams struggled in their respective divisions, but there were some good individual performances particularly from the junior players and that can only be a positive. With more experience over the next couple of years, results will no doubt start to improve. The junior section of the club is very buoyant, with an excellent set up at Under 15 level with both boys and girls, and more juniors on the conveyor belt in the younger age groups.

There was the luxury of putting out three full sides over several Saturdays at the beginning of the season, two league and a friendly, something the club has only been able to do very rarely in a season before.

There were two brilliant tours, the adult tour to Somerset resulting in three wins, and some excellent friendships built with other clubs, with some guest tourists joining the party. The first ever Colts tour to Norfolk was also an overwhelming success, although not sure whether 'ants' or the down in one was tackled by any of the youngsters. It seems there is an appetite to do it again.

Another successful All Stars Cricket campaign was held again during the summer, and the Summer Camp again proved a big hit with all age groups. On a bleak morning in May, weather wise, the club welcomed England International Maddy Villiers, who has proved inspirational to many of the girls who attended the session, and particularly Amelia Ekka, who did an articulate interview on Radio Essex. In September, a party of club members were able to see Maddy in action, as England took on New Zealand in a one day international at Chelmsford. It was great to see on Sky television (even from Northumberland), the West Mersea CC hoodies clearly on show!

The Barge trip in September was also enjoyed by many of the club's youngsters, promoting a club camaraderie that seems to be a lasting legacy of these juniors.

Prosecco Ladies Cricket was again a big hit at the start of September, with Steve Daines leading the ladies in a different type of exercise warm up prior to play. It is great to see so many ladies and girls getting involved in the club, whether playing or supporting.

In the community the club continued with the virtual teas, providing food for Pantry in the Porch, with more planned throughout the year.

Off the field, there were problems on the ground, which was disappointing as The Glebe celebrated it's centenary. The lack of cutting of the outfield, and a season long battle with an ageing roller which spent more time inactive than active, made the wickets and the ground look below standard, leading to some low scoring matches. This was despite the best efforts of Luke Conway and James Rutter, and their accomplices.

A record 96 players represented the club at senior level in 2021, of which 40 played their first ever game for Mersea. Thirteen of these were guest tourists, four more guested from other clubs. While the other 23 debutants were largely from Mersea, including four more girls. The club played 59 matches, of which 14 were won, 44 lost and the Rain Men game ended in a traditional draw.

In all games, Mersea scored a total of 6654 runs, for the loss of 519 wickets, whilst Opponents scored 9500 runs for the loss of 338 wickets. The leading run scorers for the club, and the only players to top 500 runs in the season were Luke Conway (697) and James Rutter (647). Luke Conway scored two centuries (134* v. Bardwell and 105 v. Saxmundham) in his haul, taking his career tally to a record 16, and also hit another 36 sixes to pass 600 for his career. James Rutter scored six fifties in his total, and with more cricket in the second half of the season could well have challenged Neil Goodridge's record tally of nine fifties in a season. Rutter topped the club batting averages for the first time in his career, averaging 43.13. The only other players to top 200, were Angus Lockhart (216), Matt Wilkin (209) and Gareth Mason (206). There were three centuries and

REVIEW OF THE 2021 SEASON

16 fifties scored by Mersea players in the campaign. Luke Conway, the two above, and Matt Wilkin with an unbeaten career best 105 in the victory over Long Melford 2nd, were the century makers. Of the 16 fifties, James Rutter (6), Stuart Elson (2) and Gareth Mason (2) scored the most. Maiden fifties were achieved by Stuart Elson, Pat Geddis, Kazi Hassan and Gareth Mason, while there were career bests for no less than 37 players (scores in double figures) and these are listed on page 51.

Career landmarks saw Luke Conway move to number four in the all time Mersea run scorers passing 13500 runs, David Taylor became the second quickest player to reach 9000 runs. James Rutter reached 3500, Matt Wilkin 2000 and Ali Manhire by reaching 500 runs became the 149th and latest player to join the Mersea Hall of Fame. Luke Conway won the Six Hits Trophy for the 16th time in his career with 36, James Rutter was a distant second, but nevertheless hit a personal best of 13. The Mallard Trophy saw plenty of interest going into the latter weeks of the season, with a whole host of players in contention. There were 144 ducks in 2021 (which comfortably beat the 2013 record of 119 ducks), the newly purchased Zing bails being lit up more than Blackpool illuminations by Mersea batters! Eventually, Ben Rumble, Ruben Butler and John Clarke ended up tied of 10 Mallard points each, with Rumble claiming the duck by virtue of scoring more Golden ducks than the other two. Steve Daines was just a point behind the top three, while Patrick Ekka and Nick Gray were both able to boast rare Diamond Ducks – first ball of the innings.

The bowling department was led by four individuals, Ben Rumble the most prolific with 40 wickets, Luke Conway 35, and then youngsters Seb Gladwell (22) and Joe Wyatt (19) – the latter two both enjoying excellent debut seasons in league cricket with the ball. As well as being the leading wicket taker, Ben topped the Bowling Averages for the first time in his career, returning his wickets at 16.23, just holding off Luke at 16.40. There were 3 five wicket hauls in 2021, and 29 three wicket hauls which were achieved by thirteen Mersea bowlers. Luke Conway returned two five wicket spells, the best of the season, 6 for 46 v. Woolpit 3rd and 5 for 24 v. Kesgrave 2nd, while old warhorse Darren Rumble achieved the other, with 5 for 15 in a remarkable game at home to Saxmundham. Ben Rumble, although not returning a five wicket spell this year, was no doubt Mr Consistent, with no less than seven three wicket hauls with a best of 4 for 21 against Great Bentley.

Three other bowlers took ten or more wickets, Matt Wilkin (13), Darren Rumble (12) and Stuart Elson (10) as Mersea generally struggled to make inroads into the opposition batting line ups. There were 35 career bests (bowlers taking a wicket or more), with Henry Gayton, returning the best of those with a spell of 4 for 8 in the seconds only win of the season at home to St Margarets 2nd's. Career landmarks saw Luke Conway take his 750th wicket, and by the end of the season he had moved into fifth place in the all time list with 761, just three behind fourth place Kevin Hewes. Matt Wilkin reached 250 wickets, James Rutter 125 wickets, Ben Rumble blasted pass 75 wickets and should reach 100 wickets early in 2022, while Seb Gladwell at the start of his career has passed 25 wickets.

The leading fieldsman in 2021 was James Rutter with 19 fielding dismissals, 11 catches of which 6 were outfield and 5 wicketkeeping, 7 stumpings and 1 run out. Luke Conway took 12 catches, 8 in the outfield and 4 at the wicket, while Ben Rumble made 12 dismissals, 10 catches 7 in the outfield 3 at the wicket, and effected 2 run outs. Ben Rumble was the only player to make 3 dismissals in a match, taking 3 wicketkeeping catches against Chappel & Wakes Colne late on in the season. Career landmarks saw Tom Sanderson take his 50th catch, while Ben Rumble reached 25 catches.

TWO COUNTIES – 1st XI

The first XI played 18 games, winning 7 and losing 11 in Division Seven. However, the manner of a majority of their defeats ensured that they were battling relegation rather than mid table security. Relegation was staved off by a 30 run win in the penultimate game of the season at home to Woolpit 3rd. After a heavy defeat in the opening match of the season at Bury St Edmunds, Mersea won six for their next nine games, before a wretched run in July and August saw them slump towards the foot of the table. Result of the season came at home to Saxmundham on 19th June, Mersea batted first and were bowled at for just 45, however, Darren Rumble 5 for 15 and Luke Conway 4 for 7 saw the visitors bowled out for 25 to see Mersea to an improbable win by 20 runs. The lowest ever score defended by a Mersea side in a league match! A week later Matt Wilkin returned the Performance of the Season in a match winning batting display against Long Melford 2nd. With Mersea languishing at 44 for 6, Matt scored an unbeaten 105 to help lift Mersea to 195 for 8, Mersea going on to win by 37 runs.

REVIEW OF THE 2021 SEASON

Individually, captain Luke Conway was the star with both bat and ball, top with scoring 486 runs including two centuries, and taking 34 wickets – which was just one short of equalling the record seasonal haul in the Two Counties by a Mersea player. He was undoubtedly the unanimous choice for 1st XI Player of the Season. However, despite his domination with bat and ball, he did not claim the Batting and Bowling Averages for the 1st XI. Both going to Matt Wilkin, who scored 209 at 41.80 with the bat, and took 13 wickets at 15.38 with the ball. James Rutter (212) and Angus Lockhart (208) also topped 200 runs for the first team, while David Taylor (199) went close. Ben Rumble (20) enjoyed his best Two Counties season with the ball, while Darren Rumble (13 wickets) and Joe Wyatt (9 wickets) provided the supporting cast. Joe in particular bowling some good returns at the elevated level, and showing good attitude in the field, which was largely responsible for him claiming the Young Player of the Year nomination.

Two Counties 1st XI career landmarks saw Luke Conway reach 5000 runs, Alistair Manhire 500 runs, whilst with the ball Conway reached 350 wickets, Matt Wilkin 150 wickets and Darren Rumble 100 wickets. Ben Rumble made his 50th league appearance, while 13 players made their 1st XI debut, with Seb Gladwell 13 years 183 days the fifth youngest to do so, when playing against Bury St Edmunds on 1st May.

TWO COUNTIES 2nd XI

The second eleven won just one of their 15 completed fixtures, but were denied the wooden spoon by virtue of Felixstowe & Corinthians 3rd XI concession record which saw them deducted significant points to see them finish below Mersea. Batting was the main problem for the side, posting a score or chasing a mediocre score, was nigh impossible. Even the enticement of cornetto's for the side, failed to see the seconds post a score in excess of 100 all year, the highest being 97 for 9 against St Margarets 2^{nds} in July. There were plenty of chastening defeats, but the young side kept their enthusiasm throughout which was a credit to them. The solitary win came at home to St Margarets 2nd, Mersea bowling out the visitors for 85, with Henry Gayton (a 2nd team season best of 4 for 8) and Tony Oram (3 for 13) largely responsible. In reply Mersea slumped to 47 for 6, before an unbroken seventh wicket stand between Roger Goodwin and Chris Warren saw Mersea to victory.

The side were undoubtedly hampered by the loss of season long casualties Ian Young and Peter Phillips, which would have added some backbone to the batting at least. Hopefully, both will be able to play a part in the 2022 season. The leading run scorer for the side was Mick Laver, with 90 runs at an average of 10.00, which also saw him top the Batting Averages. The highest score of the season came from Ian Young with 32 against Melton St Audry 2nd in June. Newcomer Tony Oram was the joint leading wicket taker with Amit Tiwari with nine wickets. Tony's wickets coming at an average of 21.33, and together with his 75 runs with the bat he was nominated as 2nd XI Player of the Year. Career landmarks saw Graham Pryke reach 100 appearances, Mick Laver 50 appearances. Ian Young became the first player to pass 1500 runs for the second team, while Peter Phillips reached 50 wickets.

NECL DEVELOPMENT SIDE AND FRIENDLIES

The club took the decision to re-join the North Essex Cricket League, and take part in the embryo T30 Development League. The concept of the competition being a stepping stone for younger players to move from junior cricket to senior cricket. Mersea used the competition as it was envisaged, unfortunately, other clubs did not and Mersea were beaten in all their completed fixtures. Ben Rumble captained the side, with James Rutter his deputy, and gave all players the opportunity with bat and ball. James finished as the highest run scorer with 212 runs, the next best being Seb Gladwell with 86. On the bowling side Ben Rumble was leading wicket taker with 8 wickets, with a best of 4 for 21 against Great Bentley, while Joe Wyatt claimed six wickets. There were more friendlies in 2021, than there has been for a number of years. The extra personnel allowed the club to put three sides out on a Saturday in the early part of the season, as well as a detailed midweek friendly season. Again the side saw plenty of the younger players get opportunities with bat and ball, and a number of notable career bests with the bat were achieved during the season. Joe Wyatt (46not out), Charlotte Granger (28), Louis Elson (44not out), Seb Gladwell (32) and Rueben Butler (24) all showed they were capable of bigger scores. James Rutter was the leading batter with 233 runs, Luke Conway (167), Stuart Elson (115) and Graham Pryke (103) all scoring over 100 runs. Ben Rumble was the leading wicket taker in friendlies with 9 wickets at 7.00, with Seb Gladwell not far behind taking 8 wickets.

REVIEW OF THE 2021 SEASONTOUR

TOUR

The first club tour since 2016, saw 22 players travel to North Somerset, and play the three teams that they played in 2004 over a long weekend at the end of July. Unfortunately, the squad was heavily subsidised with guest tourists, with Mersea only supplying eight tourists with Mersea links. Nevertheless, the tour was a success with the side winning all three matches, albeit the first was by the Duckworth/Lewis method with rain intervening late in the game. Pat Geddis was the leading run scorer with an unbeaten 85 in his only game against Long Sutton, while Ferdous Rajib was the leading wicket taker with 5 wickets.

PLAYERS OF THE SEASON

The following five players can look back on 2021 with some satisfaction, and are nominated by the author as the club players of the year ;

LUKE CONWAY – Luke was the leading run scorer with 697 runs, and also took 35 wickets of which 34 came in the Two Counties 1st XI. Once again he returned to the top of the Club six hits chart, taking his career tally to in excess of 600. Another two centuries in 2021, saw him reach 16 career hundreds.

JAMES RUTTER – James also scored in excess of 500 runs for the campaign, ending with 647. He topped the Club Batting Averages with an average of 43.13. Six half centuries and seven scores in excess of 25 showed consistency throughout his season.

BEN RUMBLE - Ben was the leading wicket taker in 2021 campaign with 40 wickets and topped the Club Bowling Averages for the first time in his career, taking his wickets at 16.23. Again consistency was the key to his successful season, taking three or more wickets on seven occasions.

JOE WYATT – In his first full league season, Joe made a promising start to life in the TC 1st XI at the age of just 15. He played 14 times for the first eleven, and proved more than his worth with the ball and in the field, showing an excellent attitude. He took 9 wickets, with a best of 3 for 34 in the away victory over Saxmundham. Overall in 28 matches, he took 19 wickets, and scored 133 runs which saw him claim the Young Player of the Year award.

SEB GLADWELL – another promising 14 year old makes up the roll call for this year's Players of the Season, Seb played 28 matches during the season, including 5 for the TC 1st XI and 9 for the TC 2nd XI. Overall he scored 169 runs, and took 22 wickets, including a best of 4 for 53 v. Felixstowe & Corinthians 3rd which saw him claim the Performance of the Year by a Junior player.

2022

After the success of 2021, there can only be further improvement on and off the field. A solid base of good, enthusiastic youngsters coming through is genuinely making it an exciting period for the club over the next few years. Already the keenness shown in the newly formed Indoor Cricket Leagues at the Northern Gateway, as well as the attendance at Net Sessions is showing there is a real appetite for the game on the island.

2022 will see the two teams again entered in the Two Counties league, the first team are once again in Division Seven and the hope is for more consistency and a placing in the top half of the division. The Second Team are in Division Nine, and the targets for them are to become more competitive in 2022, with better scores with the bat (and hopefully cornetto's for that 100 run barrier), and hopefully winning more than one game. The experiment with the T30 competition was a season only venture, with the club deciding that it would be better to play in the 40 over NECL competition, and at the NECL AGM the team were re-admitted to Division Two of the NECL for 2022. All games will be played on Sundays.

At the time of going to print an extensive programme of weekend and midweek friendlies is also being formulated, and will give players plenty of opportunity to play the game in 2022.

To achieve the Co-Efficient

Runs were multiplied by 2.5, and then divided by completed innings. 50s multiplied by 3, and 100s multiplied by 6, divided by completed inns.

Wkts were multiplied by 10 and then divided by bowling spells. 3w multiplied by 3 and 5w by 6 divided by bowling spells.

Cts and St multiplied by 12, Run Outs by 10. All these total were then added together to give a total, which was multiplied by the percentage of Two Counties 1st XI matches played by the player to give the overall Co-Efficient.

To achieve the Co-Efficient

Runs were multiplied by 2.5, and then divided by completed innings. 50s multiplied by 3, and 100s multiplied by 6, divided by completed inns.

Wkts were multiplied by 10 and then divided by bowling spells. 3w multiplied by 3 and 5w by 6 divided by bowling spells.

Cts and St multiplied by 12, Run Outs by 10. All these total were then added together to give a total, which was multiplied by the percentage of Two Counties 2nd XI matches played by the player to give the overall Co-Efficient.

To achieve the Co-Efficient

Runs were multiplied by 2.5, and then divided by completed innings. 50s multiplied by 3, and 100s multiplied by 6, divided by completed inns.

Wkts were multiplied by 10 and then divided by bowling spells. 3w multiplied by 3 and 5w by 6 divided by bowling spells.

Cts and St multiplied by 12, Run Outs by 10. All these total were then added together to give a total, which was multiplied by the percentage of NECL T30 matches played by the player to give the overall Co-Efficient.

112 catches - 14 Run Outs

144 Ducks in 2021

If points are equal then position is decided on Golden Ducks, if still equal decided on Total Ducks. If still equal decided on when the first Golden Duck occurred.

Symbol represents how many Bondy Points were scored.

* denotes a 2 point Bondy (10 – 19 balls faced)

+ denotes a 3 point Bondy (20-29 balls faced)
